METHODOLOGY

To compile a list of top law firms in the United States, LexisNexis® MartindaleHubbell®—the authoritative source for information about U.S. lawyers since 1868—researched their comprehensive database of 1 million lawyers and firms in over 160 countries and identified Tri-State area law firms of 10 or more attorneys, where at least one out of three of their lawyers achieved the AV® Preeminent™ Peer Review RatingSM. This rating indicates the rated lawyer has been deemed by his or her peers to have demonstrated the highest level of ethical standards and legal ability.

Martindale-Hubbell Peer Review Ratings are driven by the confidential opinions of lawyers and members of the judiciary who provide reviews of lawyers about whom they have professional knowledge.
