MARTINDALE-HUBBELL[®]
TOP RANKED LAW FIRMS™
METHODOLOGY

To compile a list of top law firms in the United States, Martindale-Hubbell™ – the authoritative source for information about U.S. lawyers since 1868 – researched their comprehensive database of 1 million lawyers and firms in over 160 countries and identified U.S. law firms of 10 or more attorneys, where at least one out of three of their lawyers achieved the AV Preeminent[®] Peer Review Rating. This rating indicates the rated lawyer has been deemed by his or her peers to have demonstrated the highest level of ethical standards and legal ability.

Martindale-Hubbell[®] Peer Review Ratings™ are driven by the confidential opinions of lawyers and members of the judiciary who provide reviews of lawyers about whom they have professional knowledge.

The firms featured in this section vary in practice, but all share the distinction of being staffed with attorneys of the highest caliber.
